HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. This action reflects a new document number. Please refer to this number when contacting the Payment Management System or submitting drawdown requests. Reporting on the FFR (Federal Financial Report) SF 425-Federal Cash Transaction Report (FCTR) should reflect this number for all disbursements related to this project period.
2. All post-award requests, such as significant budget revisions or a change in scope, must be submitted as a Prior Approval action via the Electronic Handbooks (EHBs) and approved by HRSA prior to implementation. Grantees under "Expanded Authority," as noted in the Remarks section of the Notice of Award, have different prior approval requirements. See "Prior-Approval Requirements" in the DHHS Grants Policy Statement: <http://www.hhs.gov/asfr/ogapa/grantinformation/hhsgps107.pdf>
3. The requirements of 48 CFR section 3.908 (found at <http://www.ecfr.gov>) implementing section 828 of the National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) entitled "Pilot Program for Enhancement of Contractor Employee Whistleblower Protections" apply to this award. This notice requires that grantees inform their employees in writing of employee whistleblower rights and protections under [41 U.S.C. 4712](http://www.uscode.house.gov/browse.xhtml) in the predominant native language of the workforce. The details of 41 U.S.C. 4712 can be found at <http://www.uscode.house.gov/browse.xhtml>. (regarding 48 CFR section 3.908, note that use of the term "contract," "contractor," "subcontract," or "subcontractor" for the purpose of this term, should read as "grant," "grantee," "subgrant," or "subgrantee").
4. HRSA is currently operating under a Continuing Resolution; therefore, this award provides partial funding based on the continuation of FY2013 program requirements, funding levels and specialized reporting requirements. Additions and revisions to these Terms and Conditions may be necessary once HRSA receives a final FY2014 appropriation. A revised Notice of Award will be issued to reflect any changes to funding amounts or Terms and Conditions.
5. Funding levels have been provided on a pro-rated basis and are expected to cover continuation costs for the period of 3/1/2014 until 5/31/2014.
6. Due to the provision of partial funding, this award is being made without itemized reporting requirements. Award recipients are reminded of the continuation of FY2013 specialized reporting requirements and provided reference to previous HRSA guidelines and instructions. Subsequent FY2014 reporting requirements to include defined due dates will be contained on the final FY2014 Notice of Award. Failure to comply with reporting requirements will result in deferral or additional restrictions for future funding decisions.

Program Specific Term(s)

1. Foreign travel is not permitted.
2. The amount available, in the aggregate, for first-line entities to spend on administrative costs is calculated by subtracting the grantee's administrative costs (up to 10%) and the grantee's quality management costs (up to 5% or \$3,000,000, whichever is less) from the total grant amount and multiplying the difference by 10%.

The grantee may not use more than ten (10) percent of the FY 2014 grant funds for administration, accounting, reporting, program oversight and planning council activities. Indirect costs are considered administrative.

3. In accordance with Program Policy No. 10-02, grant funds may not be used for: 1.) outreach programs which have HIV prevention education as their exclusive purpose, or 2.) broad-scope awareness activities about HIV services that target the general public (See HAB website www.hab.hrsa.gov for information on DSS Program policies).

4. Circulars A-87 and A-122 regarding cost principles. If your organization is eligible to be a covered entity under Section 340B of the Public Health Service Act, and the assessment shows that participating in the 340B Drug Pricing Program and its Prime Vendor Program is the most economical and reasonable manner of purchasing or reimbursing for covered outpatient drugs (as defined in that section), failure to participate may result in a negative audit finding, cost disallowance, or grant funding offset.
5. Minimum WICY Expenditures: Part A grantees are required to use a minimum amount/percentage of their FY 2014 award to provide services to women, infants, children and youth (WICY). The minimum set-aside amounts/percentages for each eligible metropolitan area/transitional grant area (EMA/TGA) must be determined separately for each priority population, and may not be less than the percentage the ratio of each population to the total number of persons estimated to be living with AIDS within the EMA/TGA.

Women, Infants, Children and Youth (WICY) Waiver: If the grantee can document that one or more WICY priority populations are receiving HIV-related health services through the state Medicaid program under Title XIX of the Social Security Act, the State Children's Health Program (SCHIP) under Title XXI of the same Act, or other qualified federal or state programs in accordance with HRSA guidelines, then the grantee may request a waiver of the minimum WICY expenditure requirement from HRSA. Grantees approved for a WICY waiver do not have to report the amount of grant expenditures used to provide services to the waived priority population(s), but must document and report expenditures for non-waived populations. Updated WICY Guidelines and Reporting Instructions will be provided separately.
6. The Grantee is required to notify the Division of Grants Management Operations (DGMO) and the Project Officer, within 30 days, of any changes in Planning Council Composition that impact legislative compliance with "reflectiveness" or the mandated membership categories. A letter signed by the Planning Council Chair(s) must be submitted assuring that 33% of the Council members are non-conflicted persons living with HIV/AIDS (PLWH/A) and are receiving Part A funded HIV-related services. In addition, the 33% PLWH/A Council members and the Council as a whole must accurately reflect the demographics of the epidemic in the EMA/TGA. Reflectiveness must be based on the prevalence of HIV Disease (AIDS Prevalence plus HIV Prevalence, real or estimated) in your EMA/TGA as reported in your FY2013 application. The notification and letter must be accompanied by revised tables or narrative describing compliance with Planning Council Composition and Reflectiveness. Please submit all documentation via the HRSA EHBs Prior Approval Portal as type "Other", subtype "Other".
7. Unless otherwise specified, all Conditions, Program Terms, and Reporting Requirements must be electronically submitted through the HRSA Electronic Handbooks (EHBs).
8. In accordance with the Ryan White HIV/AIDS Program client eligibility determination and recertification requirements (Policy 13-02), HRSA expects clients' eligibility be assessed during the initial eligibility determination, at least every six months, and at least once a year (whether defined as a 12-month period or calendar year) to ensure that the program only serves eligible clients, and that the Ryan White HIV/AIDS Program is the payer of last resort. Grantees are not allowed to provide Ryan White services under presumptive eligibility; eligibility must be confirmed prior to enrollment/recertification.
9. The Grantee is required to meet specific requirements regarding the monitoring of both their grant and their provider/sub-grantees as detailed in the *National Monitoring Standards for Ryan White Grantees*.
10. Any post-award changes in Part A and/or Minority AIDS Initiative (MAI) grant allocations must be submitted to the Project Officer along with a letter from the Planning Council Chair(s). Please refer to Standard Term No. 5 if the rebudgeting amounts exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget or \$250,000, whichever is less.
11. Funds may not be used by grantees or subcontractors for the purchase of vehicles without written DGMO approval.
12. Grantees are prohibited from using Ryan White HIV/AIDS Program funds to support Syringe Services Programs, inclusive of syringe exchange, access, and disposal.
13. A nominal amount of grant funds may be used to provide gift cards be used to provide for participant incentives but may not be redeemed for cash or used for unallowable items including (but not limited to) purchase of alcohol, tobacco, illegal drugs or other substances, or firearms. Grantee institutions are required to establish institutional policies and procedures for providing incentives to project participants. At a minimum the institutional policy must address, potential Internal Revenue Service (IRS) tax implications, the cost basis used to

determine that the amount is consistent with the impact participation poses on the daily life of the project participant. The policy must identify an annual limit to any one individual. Institutional procedures must include a provision that individual recipients of gift card incentives sign a statement acknowledging and agreeing to the purpose(s) of and restrictions (unallowable costs) on the incentive. The grantee institution has the primary responsibility for developing and adhering to their organizational participant incentive policy and maintaining appropriate documentation for each participant gift card. Failure to comply with this requirement can result in suspension and/or termination of this award, withholding of support, audit disallowances, and or other appropriate action.

14. Office of Management and Budget (OMB) circular A-133 requires grantees and sub-grantees that spend more than \$500,000 of funds in a given year of Federal awards to conduct a single or program-specific audit for that year. The audits must be submitted to the Federal Audit Clearinghouse either 30 days after receipt of the auditor's report(s) or nine months after the end of the entity's fiscal year (FY) end date; In addition, pursuant to section 2605 (a)(10), every two (2) years the chief elected official must submit copies of all OMB A-133 audits regarding funds expended under Part A to the Part B lead State agency under section 2617(b)(4). The State will forward audits collected from Part A, B, C, and D grantees/sub-grantees to HRSA where they will be posted in their entirety on the HRSA web site. Therefore, grantees will be provided instructions separately on the process and deadline for submitting electronic copies of audits to the lead State agency.
15. Ryan White Services Data Report (RSR): Acceptance of this grant indicates the grantee's assurance that it will comply with the annual Ryan White Services Data Report (RSR) requirements, and that it will mandate such compliance by each of its contractors and subcontractors.

Standard Term(s)

1. Recipients must comply with all terms and conditions outlined in their grant award, including grant policy terms and conditions outlined in applicable Department of Health and Human Services (HHS) Grants Policy Statements, and requirements imposed by program statutes and regulations and HHS grant administration regulations, as applicable; as well as any requirements or limitations in any applicable appropriations acts.
2. All discretionary awards issued by HRSA on or after October 1, 2006, are subject to the HHS Grants Policy Statement (HHS GPS) unless otherwise noted in the Notice of Award (NoA). Parts I through III of the HHS GPS are currently available at <http://www.hhs.gov/asfr/ogapa/aboutog/hhsgps107.pdf>. Please note that the Terms and Conditions explicitly noted in the award and the HHS GPS are in effect.
3. The HHS Appropriations Act requires that when issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds, including but not limited to State and local governments, shall clearly state the percentage of the total costs of the program or project which will be financed with Federal money, the dollar amount of Federal funds for the project or program, and percentage and a dollar amount of the total costs of the project or program that will be financed by nongovernmental sources.
4. Recipients and sub-recipients of Federal funds are subject to the strictures of the Medicare and Medicaid anti-kickback statute (42 U.S.C. 1320a - 7b(b) and should be cognizant of the risk of criminal and administrative liability under this statute, specifically under 42 U.S.C. 1320 7b(b) Illegal remunerations which states, in part, that whoever knowingly and willfully: (A) Solicits or receives (or offers or pays) any remuneration (including kickback, bribe, or rebate) directly or indirectly, overtly or covertly, in cash or in kind, in return for referring (or to induce such person to refer) an individual to a person for the furnishing or arranging for the furnishing of any item or service, OR (B) In return for purchasing, leasing, ordering, or recommending purchasing, leasing, or ordering, or to purchase, lease, or order, any goods, facility, services, or item ...For which payment may be made in whole or in part under subchapter XIII of this chapter or a State health care program, shall be guilty of a felony and upon conviction thereof, shall be fined not more than \$25,000 or imprisoned for not more than five years, or both.
5. Items that require prior approval from the awarding office as indicated in 45 CFR Part 74.25 [Note: 74.25 (d) HRSA has not waived cost-related or administrative prior approvals for recipients unless specifically stated on this Notice of Award] or 45 CFR Part 92.30 must be submitted in writing to the Grants Management Officer (GMO). Only responses to prior approval requests signed by the GMO are considered valid. Grantees who take action on the basis of responses from other officials do so at their own risk. Such responses will not be considered binding by or upon the HRSA.

In addition to the prior approval requirements identified in Part 74.25, HRSA requires grantees to seek prior approval for significant rebudgeting of project costs. Significant rebudgeting occurs when, under a grant where the Federal share exceeds \$100,000, cumulative transfers among direct cost budget categories for the current budget period exceed 25 percent of the total approved budget (inclusive of direct and indirect costs and Federal funds and required matching or cost sharing) for that budget period or \$250,000, whichever is less. For example, under a grant in which the Federal share for a budget period is \$200,000, if the total approved budget is \$300,000, cumulative

changes within that budget period exceeding \$75,000 would require prior approval). For recipients subject to 45 CFR Part 92, this requirement is in lieu of that in 45 CFR 92.30(c)(1)(ii) which permits an agency to require prior approval for specified cumulative transfers within a grantee's approved budget. [Note, even if a grantee's proposed rebudgeting of costs falls below the significant rebudgeting threshold identified above, grantees are still required to request prior approval, if some or all of the rebudgeting reflects either a change in scope, a proposed purchase of a unit of equipment exceeding \$25,000 (if not included in the approved application) or other prior approval action identified in Parts 74.25 and 92.30 unless HRSA has specifically exempted the grantee from the requirement(s).]

6. Payments under this award will be made available through the DHHS Payment Management System (PMS). PMS is administered by the Division of Payment Management, Financial Management Services, Program Support Center, which will forward instructions for obtaining payments. Inquiries regarding payments should be directed to: ONE-DHHS Help Desk for PMS Support at 1-877-614-5533 or PMSSupport@psc.hhs.gov. For additional information please visit the Division of Payment Management Website at www.DPM.PSC.GOV.
7. The DHHS Inspector General maintains a toll-free hotline for receiving information concerning fraud, waste, or abuse under grants and cooperative agreements. Such reports are kept confidential and callers may decline to give their names if they choose to remain anonymous. Contact: Office of Inspector General, Department of Health and Human Services, Attention: HOTLINE, 330 Independence Avenue Southwest, Cohen Building, Room 5140, Washington, D. C. 20201, Email: Htips@os.dhhs.gov or Telephone: 1-800-447-8477 (1-800-HHS-TIPS).
8. Submit audits, if required, in accordance with OMB Circular A-133, to: Federal Audit Clearinghouse Bureau of the Census 1201 East 10th Street Jefferson, IN 47132 PHONE: (310) 457-1551, (800)253-0696 toll free <http://harvester.census.gov/sac/facconta.htm>
9. EO 13166, August 11, 2000, requires recipients receiving Federal financial assistance to take steps to ensure that people with limited English proficiency can meaningfully access health and social services. A program of language assistance should provide for effective communication between the service provider and the person with limited English proficiency to facilitate participation in, and meaningful access to, services. The obligations of recipients are explained on the OCR website at <http://www.hhs.gov/ocr/lep/revisedlep.html>.
10. This award is subject to the requirements of Section 106 (g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. 7104). For the full text of the award term, go to <http://www.hrsa.gov/grants/trafficking.htm>. If you are unable to access this link, please contact the Grants Management Specialist identified in this Notice of Award to obtain a copy of the Term.
11. The Consolidated Appropriations Act, 2012 (P.L. 112-74) enacted December 23, 2011, limits the salary amount that may be awarded and charged to HRSA grants and cooperative agreements. HRSA funds may not be used to pay the salary of an individual at a rate in excess of \$179,700 (the Executive Level II salary of the Federal Executive Pay scale). This amount reflects an individual's base salary exclusive of fringe and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts for substantive work under a HRSA grant or cooperative agreement. The salary limitation does not apply to payments made to consultants under this award although, as with all costs, those payments must meet the test of reasonableness and be consistent with institutional policy. **Your award amount will not necessarily be recalculated to adjust for necessary reductions in salaries included in your proposal. However, none of the funds in this award shall be used to pay the salary of an individual at a rate in excess of the salary limitation.** [It is important to note that an individual's base salary, per se, is NOT constrained by the legislative provision for a limitation of salary. The rate limitation simply limits the amount that may be awarded and charged to HRSA grants and cooperative agreements.]
12. To serve persons most in need and to comply with Federal law, services must be widely accessible. Services must not discriminate on the basis of age, disability, sex, race, color, national origin or religion. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/ocr/civilrights/understanding/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 80). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/ocr/civilrights/resources/laws/revisedlep.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
13. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov>.

It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and sub-recipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/sam/transcript/SAM_Quick_Guide_Grants_Registrations-v1.6.pdf), an entity's registration will become active after 3-5 days. Therefore, check for active registration well before the application deadline.

Reporting Requirement(s)

1. Due Date: 07/30/2015

The grantee must submit a Federal Financial Report (SF-425) using the EHBs. This report should reflect cumulative reporting within the budget period/document number.

The Federal Financial Report will not be accepted unless the grantee attaches (within the attachment section of the FFR) a separate document which provides a breakout of their award amounts, any approved carryover, and the respective expenditures for each as listed below:

FY 2014 Part A Formula Amount and Expenditure Amounts
FY 2014 Part A Supplemental Amount and Expenditure Amounts
FY 2014 Part A MAI Award Amount and Expenditure Amounts
FY 2013 Part A Carryover and Expenditure Amounts
FY 2013 Part A MAI Carryover and Expenditure Amounts

A final FFR may not include unliquidated obligations and must agree with the PMS report of disbursements and advances for the document number for the budget period being reported. If the grantee has an unobligated balance of FY 2014 Part A formula and/or Part A MAI funds, the grantee must:

- a) Attach and upload a carryover request with their FFR submission; or
- b) Indicate in their FFR their intent to submit a carryover request separately, via the Prior Approval Portal within 30 days of the FFR submission; or
- c) Indicate on the FFR their intention NOT to submit any carryover request.

Failure to comply with these reporting requirements will result in deferral or additional restrictions of future funding decisions.
